

## **LEAD CREATIVE SCHOOLS SCHEME - PROJECT BRIEF**

### **SCHOOL PROFILE**

Kitchener Road Primary School is a large multicultural school in the Riverside area of Cardiff. The school community is one that is fluid, rich, vibrant and diverse, and their vision for the school is one in which 'new and exciting things' happen.

### **KEY QUESTION**

Can using a creative approach to teaching Maths, and in particular the integrated use of Stop Motion animation, have an impact on the attainment levels of year 4 and year 6 pupils?

### **LEARNER PROFILE**

The project will involve a class of mixed ability Year 4 pupils and a class of mixed ability Year 6 pupils.

### **PROPOSED SCHEDULE**

All practitioners must attend the Lead Creative Schools Scheme training on 12<sup>th</sup> and 13<sup>th</sup> January 2015. This will take place in a venue in the Cardiff area.

The project will begin in the week beginning of the 18<sup>th</sup> January and will take place across the remainder of the Spring school term, consisting of weekly sessions with each participating class. Although animation will form the foundation for the creative learning, we are anticipating that other practitioners with a drama, music, dance and singing skillset will also work on the project at various points.

The staff would like to aim towards a final product or outcome that would be shared with parents and the wider community.

### **FEE STRUCTURE**

Across the Lead Creative School Scheme there is a fixed daily rate for practitioners of £250 per day. This is inclusive of travel and subsistence.

### **INTERVIEWS**

We would like to invite you to interview on Monday 7<sup>th</sup> December at Kitchener Road Primary School. Please bring a CV, and some examples of your work if appropriate. The interviews will be 20 minutes each, and you will be meeting a panel of 7, which will be made up of staff and learners from the school. You will be allocated a slot between 1.30pm and 3.00pm.

If you want to discuss any of the above, please contact the Kitchener Road Creative Agent:
