Introduction

Film Hub Wales (FWW) celebrates cinema. We fund, train and advise organisations that screen film, from film festivals, to societies and mixed arts centres. Working with over [270 Welsh exhibitors](#), we aim to bring the best UK independent and international film to all audiences across Wales. We were also proud to lead the [UK Inclusive Cinema strategy](#) on behalf of BFI FAN 2017-23.

We're part of a UK wide network of eight hubs funded by the British Film Institute (BFI) which form the [Film Audience Network \(FAN\)](#), with [Chapter](#) appointed as the 'Film Hub Lead Organisation' (FHLO) in Wales.

If you screen films to a public audience, you can [become a member](#) and benefit from our research, training courses, bursaries, funds, advice and more.

Thanks to National Lottery funding, since FWW was set up in 2013, we've supported over [347 cinema projects](#), reaching over 589,000 audience members. Take a [look at some of our work](#) to date to discover what we've funded in the past and projects we've created.

About the Film Audience Network

Supported by National Lottery funding, the BFI Film Audience Network (FAN), is central to the BFI's aim to ensure the greatest choice of film is available for everyone.

Established in 2012 to build wider and more diverse UK cinema audiences for UK independent and international film, FAN is a unique, UK-wide collaboration made up of eight Hubs managed by leading film organisations and venues strategically placed around the country.

FAN also supports talent development with [BFI NETWORK Talent Executives](#) in each of the English Hubs, with a mission to discover and support talented writers, directors and producers at the start of their careers and [BFI Academy Plus](#) which delivers activities for aspiring young filmmakers and audiences - including events, masterclasses and bursaries for 16-25 year olds.

Our Priorities

- **Young Audiences:** Opportunities for children, young people (aged 25 and under) and families to develop a relationship with screen culture.
- **Public Engagement:** Access for people across Wales to a wider choice of film and the moving image including independent UK (including Welsh) and international film, documentaries, TV and screen heritage.
- **Screen Heritage:** Greater access to national and regional archive collections, that reflect the diversity of Wales and increase appreciation for heritage film across all ages.
- **Skills:** Boosting a skilled and diverse workforce across the Film Audience Network membership.
- **Equity and Inclusion:** Diversifying audiences for a wide range of cinema, breaking down social, economic and geographical barriers,
- **Environmental Sustainability:** We are committed to minimising the negative environmental impact of the work we support and ask all members to consider audience awareness of the climate and biodiversity crises.

In order to join, members must share FAN's vision and strategic priorities as set out in the [BFI Screen Culture 2033 strategy](#).
